*! We will deliver all items **EXCEPT** for 30" freestanding ranges, 30" slide in ranges, front load washer/dryers and refrigerator/freezers.*

*! All replaced items are hauled away at no additional charge except built in refrigerators and combo (3 in 1) ovens. If you would like to keep your old appliances, please inform our installer **PRIOR** to commencement of work.*

Thank you for choosing TCI for your installation needs.

Below you will find some useful information to make the delivery a simple process for you.

Prices listed on this sheet are ESTIMATES only.

Every situation can vary depending on existing building materials, construction techniques, etc. If any unusual problems arise resulting in additional costs, we will notify you prior to any work being performed.

Please keep in mind that the installation **HAS NOT** been paid for at the time you made your purchase, and payment is expected **COD** at the time of completed work. We accept cash, check, Visa, Mastercard, Discover, and American Express.

You will receive a call the day before your scheduled installation. At that time you will be given a time frame of either **EARLY: 7-11, AM: 8-12, AFTERNOON: 12-4, LATE PM: 3-7**. We must have phone confirmation in order to keep your job scheduled. If you receive a telephone message from us,

please call back to confirm your time. We will make every attempt to accommodate requested time frames but cannot guarantee them.

! There will be a \$25 re-delivery fee if no one is home for a confirmed appointment.

Changing amperage may result in additional electrical work such as upgrading or down-grading breakers, fuses, or wiring, and is not part of installation prices. An electrical contractor may be required for such work. TCI will not be held responsible for any existing electrical problems, circumstances, or deficiencies in the home.

! TCI will not be held responsible for cutting a hole in the wall as requested by customer if the same location is not the one recommended by the installer.

! Any cutting or filling of more than 4" total around the opening of the air conditioner will be subject to an additional charge.
